📍 **Home:** Via Giuseppe Pagano 44, 90035 Marineo (Italy)

WORK EXPERIENCE

University of Palermo – Palermo, Italy

City: Palermo | Country: Italy

Postdoctoral Fellow

[08/04/2025 – Current]

- Conducting research on TRID-based therapeutic strategies for inherited retinal diseases caused by nonsense mutations
- Managing experimental workflows, analyzing results, and contributing to scientific reporting

EDUCATION AND TRAINING

Ph.D. in Molecular and Biomolecular Science

University of Palermo [01/11/2021 – 31/10/2024]

City: Palermo | Country: Italy | Thesis: A study on molecules promoting the readthrough of nonsense mutations (TRIDs)

- **Organic and Analytical Chemistry:** Expertise in the synthesis of organic compounds and proficiency in advanced analytical techniques, including HPLC-MS.
- **Cell Culture Techniques:** Skilled in maintaining and handling cell lines, including preparation, treatment, and experimental applications in laboratory settings.
- **Biological Assays and Laboratory Techniques:** Experienced in applying a variety of laboratory methodologies for the evaluation of cellular responses and experimental outcomes.
- **Project Management and Research Planning:** Competent in designing and executing experimental workflows, analyzing results, and ensuring accuracy and reproducibility in research activities.
- **Data Analysis and Reporting:** Competence in processing complex datasets and presenting findings clearly in written reports and oral presentations.
- **Interdisciplinary Collaboration:** Demonstrated ability to work effectively in multidisciplinary teams, contributing to the achievement of project goals in academic and research environments.

Visiting Ph.D. Student

Institute for Bioengineering of Catalonia (IBEC) [01/02/2024 – 29/07/2024]

City: Barcelona | Country: Spain

Visiting Ph.D. Student

University of Vienna [20/08/2023 – 27/08/2023]

City: Vienna | Country: Austria

Pharmacist license

University of Palermo [2021]

City: Palermo | Country: Italy

Master's degree in Pharmacy

University of Palermo [26/07/2021]

City: Palermo | Country: Italy | Final grade: 110/110 | Thesis: Studio del metabolismo epatico di eterocicli biologicamente attivi
